

GeM Portal Vendor Registration & Assessment Guide

Step-by-Step Profile Activation, OEM Verification & Assessment Guide (2026)

📖 READ FULL GUIDE: GeM Registration Complete Guide 2026

<https://tenderflowpro.in/blog/gem-registration-complete-guide-2026> *Detailed walkthrough of GeM registration and primary seller verification*

Step 1: Primary User Account Creation

Register with Aadhaar/PAN linked mobile number. Verify Company PAN against Income Tax database.

Step 2: Profile Completion & Bank Verification

Fill company address, bank details, and complete penny-drop micro-deposit verification.

Step 3: MSME Udyam / Startup India Integration

Link Udyam registration number to unlock automatic EMD exemption and price preference tags.

Step 4: OEM Panel Approval & Brand Authorization

Upload trademark registration certificate or OEM Authorization letter for catalog creation.

Step 5: Quality Council of India (QCI) Vendor Assessment

Complete desktop assessment and physical/virtual plant audit for verified OEM status.
